Cycle Theft is on the increase

With the support of the Safer Transport Team we held a cycle marking surgery whilst in attendance

Tips to avoid your cycle being stolen

Buy a good cycle lock – take advice from a good bike shop

Lock your cycle to something secure

Never leave your cycle unsecured in communal entrances

Never park your cycle in an isolated area

When storing your cycle in a garage or shed ensure there is an adequate lock to protect your possession

Have your cycle frame security marked or engraved

Record and register your cycle model, make and frame number
